

Lesson Guidelines

Anyone who has a fever, contagious illness, or may have been exposed to COVID-19 should remain at home.

			
<p>Teachers and students will clean hands using soap and water or sanitizer stations.</p> <p>All shared instruments and resources will be cleaned by the teacher for each student.</p>	<p>Teacher and student interactions will always prioritize social distancing.</p> <p>If the teaching environment necessitates proximity, then modified social distancing is acceptable when helpful for learning purposes, and always while wearing a mask.</p>	<p>Teachers, students, and other guests are expected to wear facial coverings when on campus.</p> <p>Teachers and students will remove facial coverings only when helpful for learning purposes, and always when social distancing.</p>	<p>Due to sickness, teachers or students may switch to online lessons until they can safely resume in-person lessons.</p> <p>If students miss a scheduled lesson and fail to provide at least 12 hours notification to the teacher, there will be no make up lesson scheduled.</p>
